“Mother Seton is small in size but great in spirit. I joined this sweet family in my sophomore year. Next year, as a senior, I will be on the yearbook staff and Peer-Pals. I am happy to have the chance to share my culture with all the students. I have truly enjoyed my years here.”

Lucy Zhang, Grade 11

Student Support

When our international scholars walk through the door, we offer support from students and faculty.

Orientation

International Student Orientation night involves the student, agent and host family. This is a special time to get questions answered and get to know other international students entering Mother Seton.

Peer Pals Program

Each international student is paired with an American student in our Peer Pals program to assist in the transition to life at Mother Seton.

Mentors

Faculty members volunteer as mentors for our international students to ensure their adjustment, comfort and success at Mother Seton.

ESL

In an effort to accommodate our International Students, Mother Seton Regional High School offers ESL assistance. This feature enables the students to improve their competency in the English language. ESL is also offered in our Seton Summer Academy.
