THE FUTURE IS
MOTHERSETON

There is something for everyone at Mother Seton.
Your choices create your own experience!

Athletics
To be an athlete at Mother Seton, you must maintain high academics and integrity. We are thrilled to offer Varsity and/or Junior Varsity Teams in the following team sports: Soccer, Tennis, Volleyball, Cross Country, Basketball, Bowling, Winter Track, Swimming, Golf, Softball and Track & Field. We also offer spirit teams to support our athletics, including our Cheerleaders and Dance Team. Try-outs for our sports teams are announced throughout the school year and we encourage all students to become part of one of our many teams.

Theater
Mother Seton students show off their talents when performing in our annual fall musical. This year, we are performing “All Shook Up” on November 8th, 9th & 10th. We encourage all Mother Seton students to be involved in the show, whether on stage or behind the scenes. We know that you and your family will be singing along and having the best time at our production!

Technology
Each student receives a laptop which is insured for her years at Mother Seton. We ask that you charge your laptop every night. Our faculty incorporates technology into the classroom in different ways. It’s a great extension of the learning process. This laptop is yours to keep when you graduate!

Activities
Our calendar is filled with events for our students to enjoy. These activities include School Dances, Haunted Hayride, Deck the Halls, Christmas Extravaganza, Christmas Semi-Formal, Spirit Week, Field Day, Big-Sister/Little Sister Picnic, March Madness, Retreats, Proms, Student Council Week, Trips, Boardwalk Night, Cultural Performances and Mini-Courses. We are always adding new events throughout the school year.

Clubs
All students are able to be part of a club at Mother Seton—our clubs meet during the school day. Over 30 clubs are available, including: Seton Music Ensemble, Astronomy, Armchair Traveler, History Hollywood, Italian, Gospel Choir, Knitting, Recycling, Digital Photography, Chess, Drama, Literary Publications and so much more. In addition, we ask for students to create their own clubs, so come with suggestions!

Service And Ministry
Mother Seton provides ample opportunity to serve the community and give back to others. Although we do not require service hours, our students continually demonstrate their commitment, enthusiasm and willingness to service by volunteering at numerous events. Our Director of Campus Ministry, Sister Mary Anne Katlack, provides support and outreach to the Mother Seton community and surrounding organizations.
MOTHER SETON
Student For A Day

The program runs during our regular school day, from 8:00 a.m. until 2:10 p.m. Complimentary lunch is served in our catered cafeteria.

Each local Board of Education is permitted to evaluate annually how it will provide this transportation to out-of-district students. Please be aware that these lists can change and that the cost for transportation will probably vary from year to year.
